Subject: RE: Air Public Notices Missouri Air Conservation Commission - August 27, 2015 Public Hearing

Andy,

We have uploaded the requested files to: / Distribution / DNR / DEQ / Air Pollution Control / Planning

It is one zip file titled "All-CD-Model-Files.zip."

Please let us know if you have any questions.

Thank you,

Ashley Keas

Environmental Engineer, EIT

Subject: FW: Air Public Notices Missouri Air Conservation Commission - August 27, 2015 Public Hearing

Hey Emily (and Wendy too)... it's me again (I know you're so excited to hear from me again ☺) requesting modeling inputs/outputs in support of boundary recommendations for SO2. Can you please zip everything into one file on your ftp. It's a pain to download multiple files from that FTP site as I have to do multiple clicks on each file.

Thanks,

Andy

MISSOURI AIR CONSERVATION COMMISSION

WILL HOLD PUBLIC HEARING

JEFFERSON CITY, MO -- The Missouri Air Conservation Commission will hold a public hearing on Thursday, August 27, 2015 beginning at 9 a.m. at the Elm Street Conference Center, 1730 East Elm Street, Lower Level, Bennett Springs Conference Room, Jefferson City, Missouri. The commission will hear testimony related to the following proposed action(s):

* Missouri State Implementation Plan Revision – Infrastructure Elements for the 2012 Annual PM_{2.5} Standard

This plan addresses infrastructure elements for the 2012 Annual Fine Particulate Matter (PM_{2.5}) National Ambient Air Quality Standard (NAAQS), as required by Clean Air Act Section 110. The plan provides for the implementation, maintenance, and enforcement of this standard for all areas of the state. Missouri is demonstrating it has adequate resources and authority to implement

the 2012 Annual PM_{2.5} NAAQS through state laws and regulations. This plan is administrative in nature and does not establish any new requirements.

* Proposed Options for Area Boundary Recommendations for the 2010 1-Hour Sulfur Dioxide Standard: July 2016 Designations

The purpose of this draft document is to solicit public comment on possible recommendations for area designations (e.g., attainment, nonattainment, unclassifiable) for the 2010 1-hour SO₂ standard. This document addresses four parts of the State of Missouri: the areas surrounding the Sikeston Power Station, Sibley Generating Station, Ameren Labadie Energy Center and the SO₂ monitor located in Iron County, Missouri. The proposed options are based on technical evaluations of these areas using air quality modeling and monitoring data. The U.S. Environmental Protection Agency (EPA) identified these four areas as meeting the criteria specified in the March 2, 2015 Federal Consent Decree for the next round of SO₂ designations. The Air Program intends to submit recommendations to the EPA in September 2015, and EPA will make a final decision on designations for these areas by July 2, 2016. This action will not be submitted for inclusion in the Missouri State Implementation Plan.

If the Commission adopts the action(s), it will be the Department's intention to submit the action(s) to the U.S. Environmental Protection Agency to be included in Missouri's State Implementation Plan unless otherwise noted above.

Documents for the above item(s) will be available for review at the Missouri Department of Natural Resources, Air Pollution Control Program, 1659 Elm Street, Jefferson City, (573) 751-4817 and in the Public Notices section of the program web site_ <http://dnr.mo.gov/env/apcp/public-notices.htm>. This information will be available at least 30 days prior to the public hearing date.

The Department will accept written or email comments for the record until 5 p.m. on September 3, 2015. Please send written comments to Chief, Air Quality Planning Section, Air Pollution Control Program, P.O. Box 176, Jefferson City, MO 65102-0176. Email comments may be submitted via the program web site noted above. All written and email comments and public hearing testimony will be equally considered.

Citizens wishing to speak at the public hearing should notify the secretary to the Missouri Air Conservation Commission, Missouri Department of Natural Resources, Air Pollution Control Program, P.O. Box 176, Jefferson City, Missouri 65102-0176, or telephone (573) 526-3420. The Department requests persons intending to give verbal presentations also provide a written copy of their testimony to the commission secretary at the time of the public hearing.

Persons with disabilities requiring special services or accommodations to attend the meeting can make arrangements by calling the Program directly at (573) 751-4817, the Division of Environmental Quality's toll free number at (800) 361-4827, or by writing two weeks in advance of the meeting to: Missouri Department of Natural Resources, Air Conservation Commission Secretary, P.O. Box 176, Jefferson City, MO 65102. Hearing impaired persons may contact the program through Relay Missouri, (800) 735-2966.
